

Curriculum Framework

Major and Minor disciplines

Major discipline is the subject of focus, and a degree is awarded in that discipline. Students must secure a prescribed number of credits through core courses, accounting for about 50% of total credits.

Minor discipline helps students gain a broader understanding beyond the major discipline. For example, a B.A. degree in Economics with a Minor in Statistics can be obtained.

1

UG Degree Programmes with Single Major

Secure a minimum of 50% credits from the major discipline for the 3-year/4-year UG degree.

2

UG Degree Programmes with Double Major

Secure a minimum of 40% credits from the second major discipline for the 3-year/4-year UG degree

3

Interdisciplinary UG Programmes

The credits for core courses shall be distributed among the constituent disciplines/subjects so as to get core competence in the interdisciplinary programme.

4

Multidisciplinary UG Programmes

The credits to core courses will be distributed among the broad disciplines
